Sharon Price John, Build-A-Bear Workshop's Chief Executive Officer commented, "The third quarter marked our seventh consecutive quarter of improved operating performance and was fueled by positive comparable store sales, expansion in retail gross margin and disciplined expense management. We continued to demonstrate that high impact product launches supported by well executed and elevated marketing programs can drive consumer awareness and product demand. Year-to-date, we have delivered pre-tax income of $\$ 3.4$ million marking the first time since 2007 that our Company has been profitable through the first three quarters of the year."

Ms. John continued, "We have a powerful lineup of holiday products that will launch throughout the fourth quarter. While early, the quarter has started with a positive sales trend. I remain confident that we will build on our third quarter momentum and continue to drive sustainable profitability for the year."

## Additional Third Quarter 2014 Highlights:

- Total revenues were $\$ 86.7$ million while operating seven fewer stores at quarter end compared to $\$ 84.8$ million in the fiscal 2013 third quarter, an increase of $0.5 \%$, excluding the impact of foreign exchange;

## Store Activity:

The Company ended the fiscal 2014 third quarter with 313 company-owned stores; 254 in North America and 59 in Europe. (See Company-Owned Store Activity Schedule.) The Company's international franchisees ended the quarter with 70 locations in 15 countries.

## Balance Sheet:

The Company ended the 2014 third quarter with cash and cash equivalents totaling $\$ 40.5$ million and no borrowings under its revolving credit facility. Total inventory at quarter end was $\$ 45.7$ million. Inventory per square foot decreased $17.3 \%$ as compared to the end of the third quarter of the prior year.

The Company expects capital expenditures to be approximately $\$ 12$ million to $\$ 14$ million and depreciation and amortization to be approximately $\$ 18$ million for fiscal 2014.

During the quarter, the Company repurchased approximately 225,000 shares of its common stock for $\$ 2.5$ million, leaving $\$ 3.9$ million of availability under the current stock repurchase program at quarter end.

## 2014 Key Strategic Objectives:

The Company reported progress on its stated strategies:

- Optimize real estate to improve store productivity. Year-to-date in fiscal 2014, the Company has closed 14 stores in North America transferring 16\% of sales to remaining stores, consistent with past closures. The Company expects to open six pop-up stores to take advantage of the holiday season including a location in Times Square in New York City.
- Refine the consumer value equation by continuing to reposition its marketing programs. In the quarter, the Company saw continued success from the introduction of high-impact products supported by elevated marketing programs with the launch of the Teenage Mutant Ninja Turtle collection. The Company also announced an expansion of its strategic partnership with Macy's. In addition to the annual appearance of a themed float in the Macy’s Thanksgiving Day Parade ${ }^{\circledR}$, Build-A-Bear will introduce five seasonal shop-in-shop locations within leading Macy's retail stores and will be showcased in their Santaland ${ }^{\circledR}$ attractions in two of these locations.
- Rationalize expense structure and leverage SG\&A expenses, while enhancing product margins with end-to-end improvements in its supply chain and ongoing value engineering of product designs. For the first nine months, retail gross margin increased to $42.3 \%$, a 270 basis point improvement from the prior year and adjusted SG\&A as a percent of total revenues was $41.0 \%$, a 60 basis point improvement from the prior year.
- Build on core competencies and leverage brand equity into new revenue streams. The Company expects to continue to evolve its organizational structure, acquire key talent and upgrade its information technology infrastructure in order to further leverage the strength of the Build-A-Bear brand as it develops new business categories to generate incremental profit and revenue streams.

## Forward-Looking Statements:

The following Management's Discussion and Analysis of Financial Condition and Results of Operations contains forward-looking statements that involve risks and uncertainties. Our actual results may differ materially from the results discussed in the forward-looking statements. These risks and uncertainties include, without limitation, those detailed under the caption "Risk Factors" in our annual report on Form 10-K for the year ended December 28, 2013, as filed with the SEC, and the following:

- general global economic conditions may deteriorate, which could lead to disproportionately reduced consumer demand for our products, which represent relatively discretionary spending;
- customer traffic may decrease in the shopping malls where we are located, on which we depend to attract guests to our stores;
- we may be unable to generate interest in and demand for our interactive retail experience, or to identify and respond to consumer preferences in a timely fashion;
- our marketing and on-line initiatives may not be effective in generating sufficient levels of brand awareness and guest traffic;
- we may be unable to generate comparable store sales growth;
- we may be unable to effectively operate or manage the overall portfolio of our company-owned stores;
- we may not be able to operate our company-owned stores in the United Kingdom and Ireland profitably;
- we may be unable to renew or replace our store leases, or enter into leases for new stores on favorable terms or in favorable locations, or may violate the terms of our current leases;
- the availability and costs of our products could be adversely affected by risks associated with international manufacturing and trade, including foreign currency fluctuation;
- our products could become subject to recalls or product liability claims that could adversely impact our financial performance and harm our reputation among consumers;
- we may lose key personnel, be unable to hire qualified additional personnel, or experience turnover of our management team;
- we are susceptible to disruption in our inventory flow due to our reliance on a few vendors;
- high petroleum products prices could increase our inventory transportation costs and adversely affect our profitability;
- we may be unable to effectively manage our international franchises or laws relating to those franchises may change;
- we may improperly obtain or be unable to adequately protect customer information in violation of privacy or security laws or customer expectations;
- we may suffer negative publicity or be sued due to violations of labor laws or unethical practices by manufacturers of our merchandise;
- we may suffer negative publicity or negative sales if the non-proprietary toy products we sell in our stores do not meet our quality or sales expectations;
- we may be unable to operate our company-owned distribution center efficiently or our third-party distribution center providers may perform poorly;
- our market share could be adversely affected by a significant, or increased, number of competitors;
- we may fail to renew, register or otherwise protect our trademarks or other intellectual property;
- poor global economic conditions could have a material adverse effect on our liquidity and capital resources;
- we may have disputes with, or be sued by, third parties for infringement or misappropriation of their proprietary rights;
- fluctuations in our quarterly results of operations could cause the price of our common stock to substantially decline; and
- we may be unable to repurchase shares of our common stock at the times or in the amounts we currently anticipate or the results of the share repurchase program may not be as beneficial as we currently anticipate.

All other brand names, product names, or trademarks belong to their respective holders.

## * Non-GAAP Financial Measures

In this press release, the Company's financial results are provided both in accordance with generally accepted accounting principles (GAAP) and using certain non-GAAP financial measures. In particular, the Company provides historic earnings (loss) and earnings (loss) per diluted share adjusted to exclude certain costs and accounting adjustments, which are non-GAAP financial measures. These results are included as a complement to results provided in accordance with GAAP because management believes these non-GAAP financial measures help identify underlying trends in the Company's business and provide useful information to both management and investors by excluding certain items that may not be indicative of the Company's core operating results. These measures should not be considered a substitute for or superior to GAAP results.
