May 3, 2005

ST. LOUIS, MO (April 29, 2005) - Build-A-Bear Workshop® (NYSE: BBW), Where Best Friends Are Made® is opening a store at Altamonte Mall in Altamonte Springs, Florida on Friday, May 13. Altamonte Mall offers Guests a wide variety of retail stores to choose from and Build-A-Bear Workshop is thrilled to be able to offer Guests in Orlando a unique and exciting retail experience.

Build-A-Bear Workshop is based on the premise that nearly everyone, regardless of age, has a special fondness for stuffed animals. When Guests visit a Build-A-Bear Workshop store, they enter a lighthearted teddy-bear-themed environment consisting of bear-making stations. Guests choose their furry friend to make, stuff it just right, and add personality with hundreds of outfits and accessories. The company is also known for the memorable heart ceremony that takes place during the bear-making process. This station allows Guests to choose a red satin heart, make a special wish and place it inside their stuffed animal.

As Guests enter a Build-A-Bear Workshop store they are introduced to a variety of stuffed animals including bears, dogs, cats, bunnies, monkeys and a series of Beary Limited™ edition Collectibear® animals. Build-A-Bear Workshop® stuffed animals are very affordable, ranging in price from \$10-\$25. Hundreds of coordinating outfits and accessories are also available to further personalize new furry friends. Guests in Orlando have the chance to show their team spirit by purchasing special bear-sized Florida Marlins and Tampa Bay Devil Rays uniforms, Tiny Tees® and accessories. In addition, Orlando Magic and Miami Heat jerseys are available for all basketball fanatics.

As part of a company wide initiative, Build-A-Bear Workshop will host Stuffed with Hugs Project Bearlift in an effort to help children in need. On Saturday, May 14 the first 200 Guests to each Build-A-Bear Workshop store can make a bear for free. Two-hundred bears will be donated to UNICEF for distribution to children affected by the Tsunami. By participating in Stuffed with Hugs Project Bearlift, children can help other children in need. The hug of a teddy bear can bring a smile to any child who is facing difficult circumstances.

Stuffed with Hugs™ began in 2001 and since then Build-A-Bear Workshop has donated over 125,000 bears to worthy causes. The purpose of Stuffed with Hugs is to give children a chance to help others. According to Founder and Chief Executive Bear Maxine Clark, "Build-A-Bear Workshop is a store for, and about, kids and Stuffed with Hugs has allowed kids to put smiles on the faces of tens of thousands of other children. It is a simple, yet significant way for kids to help other kids and make a difference."

With an existing store location at The Florida Mall, Maxine Clark, Founder and Chief Executive Bear of Build-A-Bear Workshop, is looking forward to opening the 2nd store in Orlando. She notes, "Our plan is always to open in the premier malls across the country, and we will continue this approach as we open at Altamonte Mall. We have had many Guests who have visited our other locations ask us when we will be opening at Altamonte Mall. Now, we will be able to reach even more of our friends in Orlando and we are thrilled to be

here."
